 - Club 17- This program is named for the 17 hours that students aren't in school. Donations such as food, clothing, and hygiene items are stored in room 300A connected to the library. Mrs. Brown and the counselors work with taking the donations and helping students that need these items. The Lincoln alumni class of 1976 recently made a large donation and are volunteering time to organize the room. The biggest need is deodorant, socks, sweatshirts, and sweatpants as 1-2 students per day use the closet. Lincoln spiritwear that you are looking to get rid of is also accepted. Items should be new or in good condition. We can add this group to the Booster club website with a QR code to take in donations. If you see a student that may be in need please let the administration know.
